

# Splash Mask

## Benefits

- Thermo-gelation in contact with the skin

| PHASE | RAW MATERIAL        | %     |
|-------|---------------------|-------|
| A     | Demineralized Water | 69,00 |
| A     | ExpertGel® EG312    | 4,00  |
| B     | Glycerin            | 20,00 |
| B     | MG-60               | 5,00  |
| B     | Pentylene Glycol    | 2,00  |

## Process

- Solubilize ExpertGel® in water under gentle stirring
- When the blend is perfectly homogeneous, add B and stir until the product is homogeneous
